of Correction

Sir:

Enclosed herewith is a Certificate of Correction for the above-identified patent. The patentee requests issuance of said Certificate of Correction.

In a recent review of U.S. Patent No. 7,016,434, the patentee noted a minor typographical error in the "Brief Description of the Drawings" section of the patent. Figure 3A was incorrectly listed as Figure 3.

In view of the foregoing, the patentee requests prompt issuance of a Certificate of Correction. As this appears to be a Patent Office error, the patentees submit that no fee is due for issuance of the enclosed Certificate of Correction. In the event that the Patent Office
